### For the first time in India, Test & Train online for BPO JOBS

Assessment CENTRE™ is an online test which evaluates the competencies of each aspirant who wants a job with leading BPO companies. It creates a detailed report of your strength and areas of improvements and gives career guidance on how to secure a job with leading BPO companies.

The online test consists of grammar, pronunciation, speech, personality traits, listening skills, typing skills and aptitude. The unique feature of this test is to check verbal communication skills and determine competency for the voice-based ITES industry. As per your proficiency, Assessment CENTRE™ provides different outcomes viz., a face to face contact session with an industry expert, "Call Centre Basics" online course and "Basic English Speaking online course"

Assessment CENTRE™ - Online Test, Components:

- English Grammar: A check on sentence framing and punctuation
