**Better English Language = Better Communication  
= Confidence = Better Job Prospects = Financial Independence**

## Do you speak English with confidence?

Do you speak in English every time you have an opportunity to do so or shy away?

Do you start conversations in English and then switch to a language you are more comfortable with?

A close look at these problems will reveal that the root of it lies in our inability to communicate our thoughts clearly and effectively

"Basic English Speaking" course offered through Smartel™ will give you the confidence that you need to better your language and communicate with confidence like you have never done before.

## Why is English so important?

It is the International language of communication between individuals and businesses. English is important for everybody because it helps you to communicate better, get better jobs, grow your business nationally/internationally and help you become financially independent.
